

## Gates

“Go through, go through the Gates” (Isaiah 62:10)

Gates are the means of entrance, and we enter we find what is inside, to our benefit and enjoyment.

1. **“Gates of the Tabernacle”**-Exodus 27:16. Type of Christ as the entrance into blessing-John 10:9-10.
2. **“Gate of Heaven”** (Genesis 28:17). Type of the experience of those who find Christ in their life’s journey.
3. **“Gate of the Guard to King’s House”** (2 Kings 11:19). When we are guarded by the King’s guard of holiness and peace, we find it leads us to the place of the King’s house.
4. **“Gates of Righteousness”** (Psalm 118:19-20). Nothing that is wrong can enter this gate. Being right and doing right, we square with the right.
5. **“Gates of Beauty”**-Isaiah 54:12. “I will make thy gates of carbuncles.” When the Lord adorns us with His beauty, others are attracted by his grace.
6. **“Gates of Praise”**-(Isaiah 60:18). Praise is the grace of gratitude opening its heart and life with thanksgiving and adoration to the Giver of all good.
7. **“Gate of Jehovah”**-(Jeremiah 7:2). To recognize Jehovah as the unchanging One, and the One who will cause things to be, is to find ourselves in the realm of His love.
