

## Basket Cases

How God can help you when you are a basket case.

1) Exodus 2:3 - Moses mother was a basket case over son Moses going to be killed because of Pharaoh order to kill male babies in Israel.

Moses mother had to learn about the Providence of God.

To take her hand off of her child and turn him over to God.

Put him in the hands of God.

When she did that she put her son Moses in an ark or basket and put the basket in the water.

Just as Pharaoh's daughter was in the river bathing God had the baby Moses cry.

She took the crying baby in her arms and raised him as her own son.

She asked if there was someone who could nurse the child.

Moses' sister Miriam was there watching the her baby brother floating in the river.

Miriam spoke up and told Pharaoh's daughter who Moses mother was and paid her to care for Moses.

All this happen because Moses' mother learn to turn her child over to God.

So folks don't become a basket case over worry and fear about your children just turn them over to God.

2) Saul Acts 9:1-8 Saul gets saved.

Acts 9:25 - We see him being let down the wall in a basket.

We see that other Christians held the rope and let Saul down.

You have to tell new Christians their is a ministry of being let down.

It great to be saved but need to know other Christians are going to let you down.

Just as these Christians let Paul down.

As Christians we need to separate from people and place that are going to let you down.

3) The Lad with the Little Lunch in a Basket - John 6

What you need to remember is little is much if God is in it.

If you turn over what you have to Lord, He will use it greatly and take care of you.

We see that God turn on basket into 12 baskets. - Amen.

4) Israel becomes a basket case (fruit in basket) Amos.
