

"Some Astonishing Things About the King James Bible"

I. Its names are astounding.

*This is the only Book, no other translation from time past to the time present has ever been authorized by a king.

***Gen. 1:27-28** - Back in Genesis where God created man, He told Adam "have dominion".

*In other words, God told Adam, "you are a king"

*All through the O.T., you find stories about kings, and kings, and kings.

*When Christ shows up in the Book of Matthew, Chapter 1, it gives the generation and the line of the King of the Jews, the Lord Jesus Christ.

*You have the only Book that was authorized by a king.

*When the Bible ends in the Revelation, in Chapter 19, it ends with the King of Kings coming back.

*The Bible starts with a king (Adam)

*The whole O.T. deals with a king.

*In the Book of Matthew, it gives you a genealogy of a king.

*When it ends, it ends with a king.

*And you got the King James Bible.

*It is astounding by the fact that it is the only Book authorized by a king.

*Did you ever the name King James 1611?

*Turn to Ecclesiastes 8.

· It is astounding in its name

Read Ecc. 8:4

· read Ecc. 8:4

-You can carry the "Good News For Modern Man" and nobody will say anything.

-You can carry the "Revised Standard Version" and nobody will raise an eyebrow.

-You can carry an "American Standard Version" hanging outside your pocket nobody will care.

-But you carry an old black leather bound 1611 King James Bible, and every body will wonder what in the world are you doing.

-They will say, "Religion" belongs in the church.

-There is just something about that word that is powerful.

-**"Where the word of a king is there is power"**

-Did you ever add up the numbers of letters in King James?

-**Nine.**

-Do you know how many fruit of the Holy Spirit? - **Nine.**

-Do you know how many gifts of the Holy Spirit? - **Nine.**

-You got the Book that can get you the fruit.

-That is a fruit bearing Book.

-It is a King James Bible.

-Do you know how many letters in Holy Bible? - **nine, same amount.**

-You got the only Book that adds up to fruit.

***Paul said I Thess. 2:13 - read.**

-To the degree that you assimilate this book and let this book come in.

-It will effectually work in you.

-It will produce righteousness.

-It will produce joy.

-It will produce power.

-Listen, God never trained me to do what I was doing.

-I was trained to negotiate Government contracts.

-I wasn't trained to preach.

-One day I ran into a King James Bible or let me say it ran into me.

-I received the words of this Book and it convicted me of my sin.

-It bore some fruit, Nov. 1987, God Almighty came into my soul and saved my soul, wrote my name in the Lamb's Book of Life, and covered my sins with the blood of Jesus Christ. ^{!!!}

-Made me His son.

-Sealed me in the Holy Spirit ^{and} ~~and~~ predestined me to glory forever.

-That is a fruit bearing book.

-Thank God for the King James Bible.

-Nine is the number of fruit bearing in your Bible.

-You want to serve God.

-You want some gifts, you will find nine of them in I Cor. 12:8-10 (of course sign gifts not here today).

-Do you know what the derivative of the Hebrew name Jacob is in English? - James, that is a King Jacob Bible.

-God waited until an English monarch.

-He waited on a little country not as big as Pennsylvania to rise up in history.

-To produce the greatest Book that was ever produced.

-He didn't choose an European country that was landlocked.

-He produced the Bible from a sea faring people that was going to spread a kingdom around the world.

-So, the Bible could go around the world.

-Did you know that you can't get a college education in China unless you know English.

-You can't go to college in China unless you know English.

-It is the standard language for medicine.

-It is the standard language for communications around the world.

-It is the standard language for air travel around the world.

-God waited for an English king to come to the throne whose name was James.

-God said "that is the name, King Jacob"

-Jacob's name in the O.T. changed to "Israel".

-Israel means, "He will be a prince with God".

-Did you ever read the **Dedictory** in a King James Bible?

-It says "**To the Most High and Mighty Prince, James"**

-**Prince Jacob.**

-You have the only Book in the world, that speaks of both the O.T. and the N.T. in its name, King James.

-It starts out with "King" - You will find in the O.T., the "Book of Kings."

-Then second part of its name, "James". You will find the Book of James in the N.T.

-In its name it testifies of the very Book in which it is in there.

-The O.T. is the "Kings"

-The N.T. is in "James"

-No other Book testifies to that.

-Those other Books testify to "American"

-They testify to "International"

-They testify to "Revised"

-I ask you, "What do those things have to do with the Bible?"

-You have the only book that ^{is} ~~is~~ astonishing in its name.

-Did you ever add up the numbers in 1611?

-They add up to "nine" the number for joy in the Bible.

-So, we see number 1., the King James Bible is astonishing in its name.

***Number 2, the King James Bible is astonishing in its nature.**

-Turn to I Cor. 2

-It is not a natural book.

-I Cor. 2:9 - read.

-In other words you wouldn't know anything about the supernatural life or the supernatural world by natural means.

- Natural means: by feeling or seeing, or hearing or speaking.
- But **I Cor. 2:10** - "read"
- How does the Holy Spirit teach? - **Read vs. 13.**
- The Holy Ghost compares spiritual words with spiritual words in the Bible.
- Text with text in order to teach a Christian.
- But **read vs. 14.**
- Turn to the Book of Psalms.**
- This is the only Book like this one.
- Psalms 118:8** - read.
- Now, count the number of words in this verse.
- It has 14 words.
- Psalm 118:⁸~~13~~ is the center of the Bible.
- It has 14 words.
- Probably, no other translation, no other edition of Bible, ever printed would have exactly in the center of it that particular verse.
- Notice the center of the Bible it say - **read Psalms 118:8.**
- Boiled down that is the bottom line of the Bible.
- But that is not the most unusual thing about that verse.
- There is not center word in that verse because it has an even number of words.
- So, it has two words as center words.
- What are they? - **"The LORD"**

-The only book in the world that has as its center words, "the LORD" is the King James Bible.

-Did you know something? - That is astonishing!

-No other book, no other translation could ever make that the center verse says - "read Psalm 118:8"

***TURN TO PSALM 12:**

-This book has a nature that is astonishing.

-Psalm 12, The Bible promises here that God would not only preserve His word but also that he would purify them.

-I know there are questions that people raise.

-Such as, "How could men write a perfect book when they are just a bunch of sinners?"

-I don't know. that is God's problem.

-He called them to do it.

-He inspired them to do it.

-I'll trust he did it.

-I know one thing when I yielded myself to that book, I have never found anything wrong with that book.

-The problem ^{is} ~~us~~ when I yield myself to that book, I find things wrong with me.

-The problem with some people is that they don't like somebody exposing their sins so they say, "that is just another book written by men."

-Hey, brother there is no book written like that Book!!!

-No book written with "the LORD" as the center like that.

-You add up all the words from one end of that book to the other and come right down to the very middle of that book it is "the LORD"

-That is not an accident.

-That takes an infinite mind.

***Psalm 12:6-7 - "read"**

-God promised to preserve His very words from the generation which recieved the word directly from God back in the O.T.

-God promised to preserve His words until eternity future.

-I like what it says in **verse 6 - read.**

-The O.T. was written in the language of Hebrew.

-It was finished with the Book of Malachi 400 years before Jesus Christ showed up.

-The N.T. was written in Greek.

-But do you know what God did when he wrote the N.T.?

-He began to purify the O.T.

-Did you ever read the hundreds of quotes in the N.T. from the O.T.?

-And notice the wording is not always the same.

-You know when Jesus Christ quoted the O.T., he didn't quote it exactly like it was in the O.T.

-He sometimes would add things to it or change things based upon a new revelation.

-He said in the Sermon on the Mount - **See MT. 5:27-28 - "read"**

-He purified the O.T.

-He enlarged the revelation of the O.T.

-Purified how many times? - **Read Psalm 12:6.**

-When the Greek N.T. was written, it purified the O.T., it revealed the N.T.

-The Bible says, "God did away with the first testament and established the second testament"

-Do you ever remember reading in Romans 1¹⁷, Galatians 3¹¹ and Hebrews 10³⁸ where it says, "the just shall live by faith"

-But that is not how it is quoted in the O.T.

-In the O.T., in Habakkuk 2:4 it says, "the just shall live by his faith".

-That was according to the O.T. Law that a man had his own faith.

-And a man believed the law.

-Therefore that belief in the law and his own faith in the law justified him in a sense.

-God set him aside in Abraham's bosom until Christ died.

-When Christ died the Bible says, "He went to preach the gospel to the spirits in prison" 1 Pe. 3:19.

-And when they heard the gospel they got the inheritance promised to them.

-Not because they had done the O.T. Law, but because Jesus Christ had died for them.

-But still in the O.T. they had to have their own faith.

-But after the N.T. was instituted that verse is quoted differently.

-No longer is it the "the just shall live by his faith"

-Paul quoted three times, "the just shall ^{live} ~~live~~ by faith"

-No longer is it my faith that I live by.

-I live by the faith of the Son of God who ^{loved me, and gave himself for me} ~~died for me~~ - Gal. 2:20

Text
Ps 12:6-7 - God not only preserve his word but purify seven.

KJB is astounding, astonishing, amazing - in its names & nature
say last time

Greek N.T. was written it purified & the O.T. it revealed the N.T.

-So, there is one purification.

-After it was given in Greek, then the whole Bible was preserved through the Latin.

Albigenses

-The old Latin of the Waldensians and the Albigenses and all the early Christian groups.

-For hundreds of years they used Latin translations.

-Started out with Hebrew - one.

-Then Greek - two.

-Then Latin - three.

-Then in 1611, God called out some men, God gave permission through an earthly king (by the way God is a king).

-God gave permission through an earthly king to authorize the King James Bible.

-To raise up 50 some men, 52 translators to translate this Book.

-In 1611, they translated into the English, the manuscripts of Hebrew, Greek, and used Latin translation, the early Latin versions.

-They used all the manuscript evidence and produced the King James Bible.

-And this Bible has gone through four editions.

-Four times faithful men of God have reevaluated this Book and brought into line with the original idea of the 1611.

-Let me read to you a quote out of the "The Horrible Changes in AV 1611".

-The folks from the American Bible Society made these statements in the 1850's.

- "After all the editions of the King James Bible was finished and what we have now was complete.

- "In regards to variations with the exception of typographical errors."

- In other words in the earlier translations there were typographical errors.

- "And changes required by the progress of orthography in the English Language."

- In other words in the earlier versions of 1611, the "S" (s) were *different* than are now. I believe the "U"s were different.

- There were letters that were different.

- Many words were spelled differently than they are now.

- And with succeeding editions those changes were made but never was there a change in the text.

- The changes made were changes made to bring it back into line with idea of the original translators of 1611.

- And the men of American Bible Society said - "The text of our present Bible remains unchanged and is without variations from the original copy as left by the translators."

- "The present copies of the Bible are accord throughout with the edition of 1611."

- But isn't it interesting that God started with a Hebrew, O.T. and then purified that with a Greek, N.T. and then the whole thing was translated into Latin.

- And if I know God, revelation is progressive.

- And when you go from one language to another there is always got to be some changes.

- And I know when God has His hand on something and He *changes* it, He always improves it.

- He always does something to match the progress of revelation.

- God is always revealing more and more and more to men down through history.

-So, people don't believe that, they believe all the revelation you are going to get was given in the original.

-Why the N.T. is a greater and better revelation than the O.T. was.

-The King James Bible went through four editions.

1629, 1638, 1762, 1769

-Hebrew, Greek, Latin and four editions in English gave you how many purifications? - **Seven.**

-**Read Psalm 12:6.**

-That Bible you got is the most perfect Book that God has ever given to man.

-Let me ask you a question.

-What are you doing with it?

-**Quote Psalm 119:9.** - *"Where will I shall a young man cleanse his way?
by taking heed thereto according to thy word."*

-That is a pure Book.

-It is the purest Book God has ever given to man.

-Thank God for the King James Bible!!!

-Purified seven times.

-By the way, I said that God spoke last to man in the O.T. in Malachi.

-Malachi was written about 400 years before Christ came.

-Malachi was the last thing God said before the first coming of Jesus Christ.

-It happens to be about 400 years before the second coming of Christ.

-How long has it been since God had the translators of the King James Bible pen the King James Bible?

-**It has just been about 400 years, hasn't it.**

- Within 15 years it will be 400 years.
- It will be 400 years since the King James Bible was translated.
- Wouldn't it be something as there was 400 years of silence before the first coming of Jesus Christ after the last thing God said when he penned it down in the Book of Malachi.
- So God spoke again one more time and gave men the most perfect Book ever written and then 400 years later came.
- By the way the most basic derivative^{of 400} is 10 X 40.
- Do you know what 40 speaks of in the Bible?
- 40 is the number of testing in the Bible.
- 10 is the number for Gentiles in the Bible.
- 10 X 40 = is testing Gentiles.
- God gave the Gentile world the greatest Book that was ever written.
- And he has watched for 400 years what the Gentile has done with that Book.
- The greatest nation on this earth is the United States of America.
- And the United States of America doesn't want God's Book in the schools, in the military.
- Doesn't want God's Book in any shape or form in the Government.
- There was at one time in America where just about every school had a Christian man or Christian woman leading that school and teaching children - reading, writing, & arithmetic.
- Not today!!! - 10 X 40.
- God is just waiting to see what they are going to do, with His Book.

- He waited to see what Israel would do.
- Then He sent His Son.
- This is an astounding Book.
- People today want to talk about numbers.
- What is so and so's batting average.
- How many people you have in your church.
- In Gen. 14:4 - says - "...in the thirteenth year they rebelled".
- First, time you find the word "rebel" or "rebell" in your Bible, it is connected with the number "13".
- Do you know anything about the "Book of Revelation".
- What Chapter does the antichrist show up in the Book of Revelation?
- Chapter 13
- He is the greatest rebel that the world will ever see.
- God is going to turn it ^{over} to him who is called "the son of perdition", "man of sin" according to "II Thessalonians"; *J:3*
- And "13" is his number.
- What is the number of the antichrist in Revelation 13?
- His number is 666.
- The Apostle John in the Book of Revelation Chapter 13:18 wrote - read.
- 666 - when add numbers up what do you get? - "18"
- The number of rebellion is 13.
- The number of the antichrist is 666, is 18.

6

***Turn to John Chapter ~~23~~:**

-I want to show you some things about numerology, in your King James Bible, that is true of no other Bible in print.

-No other Bible has exactly the same number of verses in it that the King James Bible has in it.

-Even though they may use the same chapter and verse numbers, they leave out verses.

-So, technically they are not true to the numbers.

-Therefore, the King James Bible is the only one that can make these statements.

-Some of the new translations leave out as many as 17, 18, or 19 verses in the New Testament.

-When you do that, when your turn to **John 6:70**, it wouldn't be the same as in the King James Bible, because they left out verses.

-John Chapter 6.

-We have seen already the center verse of the King James Bible is **Psalm 118:8 - read.** - *"It is better to trust in the LORD than to put confidence in princes."*

-The center words are **"the LORD"**.

-It is purified seven times and you have the seventh addition.

-Malachi to Christ's first coming a silence of 400 years.

-King James Bible to Christ, the King (Second coming) 400 years.

-Now, let us look at some numbers.

-John 6:70 - read, "them" = disciples.

-How much is $12 + 1 ? = 13$.

-Read verse again: **"twelve and one"**

-One of you is what? - **"a devil"**.

-One of his disciples was a devil.

-Who was he talking about?

-**Read Verse 71.**

-If you have ever studied Judas in the Bible, he is not only a type of the antichrist but the devil that inhabited Judas is the spirit of the antichrist.

-You will find in the Bible that when Judas died, he died like no other man.

-It says in the Books of Acts, **1:25**, that when Judas died he went to **"his own place"**.

-Let me tell you.

-Hell wasn't prepared for men but for **"the devil and his angels"** (Mt. 25:41).

-There is an angel over that bottomless pit called **Abaddon and Apollyon** (See Rev. 9:11).

-You will find that in the Hebrew and the Greek that it is the word for **"destruction"**.

-He is the **"son of destruction"**.

-And lo and behold, Judas is called the **"son of destruction"** or **"son of perdition"** in John Chapter 17.

-By the way would you count the number of letters in Judas Iscariot's name. - **There is "13" letters.**

***Did you notice in John 6:70.**

-Have not I chosen you twelve and one of you is a devil?

$12 + 1 = 13$

-There are 13 letters in Judas Iscariot.

-You are in Chapter 6 of John and the number of the beast is 6 6 6.

-You are in verse 70 of Ch. 6 and $6+7+0$ addup to 13.

****Turn to John 13.**

-John 13:27 - read: Addup 1+3+2+7 = 13.

-Here you have Satan entering Judas Iscariot, who is already a devil.

-Here you have a Satanic trinity.

-A man who betrays(body), the Lord Jesus Christ, who is a devil incarnate(soul - soul is who we are) and now "the devil" incarnate just like the antichrist will be enters him(spirit).

-You have the unholy trinity in John 13.

-There are **18 words** in the verse - **6 6 6**.

-That is interesting isn't it.

****Turn to John 17:**

-Talk about numbers, no other Bible in the world has the exact number of words that you are counting on.

-And exactly the same numbering and verse system, because the other Bibles leave out many verses.

-John 17:12 - read.

-**"I kept them" "them"** - Jesus praying to the Father about the apostles.

-**Finish verse - "son of perdition"**

-**Write down - II Thess. 2:3 - direct reference to the devil, the antichrist, the "son of perdition".**

-The number of words in the verse **"39"**. **That 3 X 13.**

****Turn to Mark:**

-You have the most supernatural book when it was written.

-When it wants to reveal to you who the antichrist is, it will connect the number 13 and the number 6 6 6, and the number 18 to him, over and over and over again.

****Turn Mark 3:19**

-13 words in the verse.

-3 + 1 + 9 = 13

-Read Mark 3:19.

-God could have worded it any way he wanted to word it.

-He could have added words.

-He could have taken away some other words and basicly had the same meaning.

-But he made sure the King James translator put 13 words in Mark 3:19 with Judas Iscariot, in 13 letters.

name →

-So, you would know who the antichrist is going to be.

-That is the only book in the ^{world} world that reveals, the devil as he really is. *Last time - we seeing how the KJB was astounding, astonishing*

****Turn to Luke 6 - (Remember the number of the antichrist)**

-This is the book that has a nature which is astonishing.

-Luke 6:16 - 6 + 1 + 6 = 13.

-"Judas Iscariot" = 13 letters.

-"which also was the traitor"

****Turn to Matthew:**

-Matthew 26 - how many thirteens in 26? - two of them.

-MT 26:14 - 2 + 6 + 1 + 4 = 13.

- "Then one of the twelve," - $1 + 12 = 13$

- "called Judas Iscariot" - 13 letters

- "went unto the chief priests,"

- That is amazing!!!

- Over and over and over again.

- The one connected with the number 13, the rebel, the greatest rebel that ever lived is connected with that number.

- Like the antichrist is connected with that number Revelation 13.

- That is why for years and years and years, hospitals and hotels didn't want to have a thirteenth floor.

- They were afraid of that number.

- You are living in a generation that doesn't think a minute about that number and goes ahead and uses it.

- You are living in a generation that has no respect for this word of God.

- There use to be fear in people's hearts when it came to the number 13 because they understood something about the Bible.

- And 13 was connected with the devil.

- The Bible said in the last days there would be no fear of God before their eyes.

- That is an astounding book.

- It is astounishing in its name.

- It is astounding in its nature.

****Turn to Deut. 4:**

- Did you ever study the history of England and America?

-Did you know England and America are the two countries in the world that have produced and published and promoted more King James Bibles than any other countries in the world?

-Let me ask you a question - How long has England been a great world power?

-When she translated the King James Bible she wasn't at that point, a great world power.

-But since then, God has made England the only Gentile power to encircle the globe.

-She has held possessions in Egypt, India, Asia, Africa, South America, North America, Europe and all over the world.

-That is unbelievable!!!

-Do you realize that England isn't as big as Pennsylvania?

-It has had more dominion than any other Gentile power in the history of man.

-In Deut. 4 - God said to a nation in the Old Testament - **Read verses 1-6.**

-Emphasize - ^{in vs 6} "~~all~~ the nations", "great nation"

-God gave the world to Israel in the O.T.

-But God gave "**the word**" to England in the N.T.

-God blessed that little country like no other country has ever been blessed.

-And when England turned her back on this "Book" in 1881 and began to produce, the "**revised version**" and threw out the text of the King James Bible.

-God's hand of blessing began to lift off of England.

-And now it is a second rate power.

-Have you ever studied America in relation to this "Book"?

-When America promoted this "Book" and published this "Book" to the exclusion of any other.

-When the Bible Societies in America had nothing to do with any other Bible except the King James Bible.

-God made this the strongest nation in the world.

-But in 1901, this country threw out the text of the King James Bible and ~~and~~ foreign bible societies ~~and~~ began to except the text of the **"American Standard Version"**.

-Did you ever stop and think about this?

-In 1901, they produced the **"American Standard Version"** and in 1902, a woman started the Charismatic movement in the Azuza Street Mission.

-And the Charismatic Movement is going to be the vehicle for the antichrist to pull all the churches in the world together.

-In 1901 - America threw out the King James Bible

-In 1902 - the cults and all the rest of the junk began.

-Did you ever study the cults and when they began to show up on the scene in America?

-The J.W.s, Mormons, and all the rest of that crowd.

-As to the degree this country rejects the King James Bible, the degree that error and darkness moves into this country.

****1913, our country passed the "Federal Reserve Act"**

-1913 our country took control of the economics, financial control out of the hands of the people.

-The elected officials don't even control it.

-When Paul Volker, just before his term as head of the Federal Reserve Board was to run out, he was offered the presidency of college he graduated from.

-It was ^{one of the} ~~an~~ Ivy League Schools - Harvard, Yale, etc.

-But do you know what one man said about him?

-He said, "I don't believe Mr. Volker would sacrifice being the president of the world to be president of Harvard."

-There is more to that statement than you can ever imagine.

-That man controls the amount of money that goes out.

-Controls the interest rates ⁱⁿ ~~America rates.~~

-America controls the world.

-As the dollar goes so goes the world.

-As the trade goes so goes the world.

-As our economy goes so goes the world.

-When we have recession they have recession.

-When we have good times they have good times.

-And the head of the Federal Reserve Board is the man behind the good times.

-In 1913, after they kick out the King James Bible, the federal Government turned that power over to the private sector.

-And no longer has America really controlled its own destiny.

-You better not throw that Bible, out of your home.

-God will curse your home.

-Young people, I don't care what this world attempts to offer you in its place.

-You better find a treasured place in your home and in your heart for the King James Bible.

- God has blessed nations
- God has blessed men
- God has blessed churches
- God has blessed families for reverencing that book and loving that book and spending time in that book.

-Let me tell you something it will give you a supernatural nature if you will love that book.

III. Last of all, its nobility is amazing.

-It is a noble book.

*as a standard
to stand*

-It was authorized by a king.

-It speaks of royalty.

-The word nobility means greatness, grandeur, elevation of soul.

-How about the greatness of the wording.

****Let me read you one of the most astounding statements I have ever read about the King James Bible.**

-This comes from Dr. Edward F. Hills' Book entitled, **"The King James Bible Defended"**.

-How many have you heard over and over again the English of the King James Bible is out of date because it is the English of 17th century or the 1600's and it is not up to date?

-You have all heard that business.

-But listen to this:

-"The English of the King James Version is not the English of the early 17th century"

-(The English of that book was not the English spoken in 1611).

-"To be exact it is not a type of English that was ever spoken anywhere".

- "It is Biblical English which was not used on ordinary occasions, even by the translators who produced this version."

- "The King James version owes its merits not to 17th century English which was very different but its faithful translators of the original."

- "Its style is that of the O.T., Hebrew and of the N.T. Greek. Even in its use of "thee" and "thou" the translators were not following the 17th century English useage."

- "For at that time these translators were doing their work, these single forms of thee and thou had already been replaced with the plural "you" in polite conversation." *yes plural*

- That Book is the English of heaven. That is the English of Hebrew and Greek and not the English of England.

- It is the English of Almighty God who gave the originals in Hebrew and Greek.

- That is astonishing isn't it!!!!

How about the grandeur of the knowledge and wisdom even above the Hebrew and the Greek.
**How about the grandeur of the knowledge and wisdom even above the Hebrew and the Greek.

- I want to show you some examples of this purification.

- **Turn to Song of Solomon:**

- There were no errors in the originals when God gave the originals, they were absolutely perfect.

- But down through the years of copying and copying and copying, God preserved the O.T. Hebrew.

- God used men to copy it.

- The Masserites from the Levitical Tribe.

- They were very faithful.

- But when it came to Song of Solomon, Chapter 2, there was a problem.

-Verse 7 - Here the bride is talking and she says:

-“I charge you, O ye daughter of Jerusalem, by the roes, and by the hinds of the field, that ye stir not up nor awake my love, till she please.”

-Yes the King James Bible says “he” but the Hebrew ^{text} ~~test~~ of the Masserities says “she”.

-And even some of the earlier editions of the King James Bible said , “she”.

-But God would not leave it like that because it is wrong.

-The bride is not referring to herself.

-Look in verse 4 - “He brought me to the banqueting house”

-Look in verse 6 - “His left hand is under my head and his right hand does embrace me.”

-She is talking about the bridegroom.

-The pronoun in verse 7 has to be “till he please.”

-But no Hebrew text says “till he please”

-They all say “till she please”

-Until you get to the King James Bible and finally God, straightens out the problem that had existed for thousands of years in the manuscript.

-You have a Bible that corrects all of the Hebrew text and all the Greek text.

****Turn to Acts 12:**

-You have a Bible that is amazingly noble, great, grand.

-This thing was produced before the Textus Receptus was finished.

-It corrects the Hebrew text were it is wrong.

-It corrects and updates the Greek, were it doesn't give you a better meaning or greater revelation.

-Acts 12: 1-3

-Vs 3 - There the Holy Spirit tells you the time this is taking place.

-It is around the Passover, around March/April.

-Read verse 3.

-vs4 - read as far as **"to keep him" him = Peter**

-Now, notice the next expression, **"intending after Easter to bring him forth to the people."**

-Every translation that you will find does away with the word "Easter".

-Because there is no Greek word for Easter.

-The Greek word there is **"Pascha" (Passkay)**.

-The word for "Passover"

-But folks, the man who is thinking here is not a Jew.

-Notice, it says, **"Herod the king"**

-What kind of kind is Herod?

-He is a Roman pagan king.

-He hates Passover.

-To him what the Jews do are an abomination.

-He would never use the word "Passover" in his own thinking.

-As a Roman Gentile, as a king who had sworn allegiance to Rome and all of Rome's holiday, holy days, and gods.

-And believed in the teachings ^{of} - Mythraism.

-He would never use "Passover".

-So, what the King James translators do when they get to this passage?

-In the Greek it said "Pascha".

-27 other times in the N.T. where it shows up, they translate it "Passover".

-And God moves on the king James translators to change it to Easter, to show you that Rome is connected with paganism.

-That is the church that pushes Easter time, Easter bunnies, and Easter eggs.

-All that stuff that has absolutely nothing to do with the Bible.

-You go back and study Rome at that time and you will find they had the feast Astarte, ^{of} a female goddess to Baal or RA in the O.T. (Sun god). ^{the}

-The King James Bible gives you the revelation that Easter is connected with the Roman Pagan System of Catholicism.

****Turn to Acts 19:**

-Here Paul has a problem with the silver smith in Ephesus.

-Notice it says they are making silver shrines - These people are Shriners.

-**Acts 19:24 - read.**

-These men are making money.

-Paul is preaching against this idoltry and paganism and getting people saved.

-Because he is doing that, their craft is in danger.

-vs25 - read

-vs26 - "they be no gods" they = shrines.

-vs 26 - read

-You see this goddess Diana was worshipped in a temple.

-There were no goddesses in churches at this time, they were all in temples.

-vs 34 - read.

-They said that over and over again for two hours.

-Do you know what that sounds like?

-Did you ever hear anyone say the "Hail Mary".

-The Glorias and the Our Father and all that stuff.

-vs 35 - read

-vs 36 - read

-vs 37 - read - see that word **"churches"**.

-The Greek word there is not **"ekklesia"**.

-It is not the word churches that is normally translated, "Churches" in the Bible.

-It is the word **"hieron"** (airron)

-It is the Greek word for temple.

-When the King James translators got here, the Holy Spirit forbid them to translate it temple.

-They had translated the word temple every place else in the N.T.

-And when they got to this verse, God gave them no peace.

-He gave them no time or ability to translate it "temple"

-He said, "I want it translated churches"

-There were not any of those translators who believed it should have been translated that way.

-But God moved upon the translating committees and they translated it "temple".

-You say, "Why did God move upon the translators in 1600 to change temple to churches?"

-Because God wanted everybody to know, that the worship of a mother goddess was no longer in a temple but was in a church.

-And it has been in that church and that is the biggest church on the face of the earth.

-800 million people say prayers to Mary, the goddess of heaven.

-She is called the "mother of God".

-She is called the "Queen of the heaven", exactly what Dianna was called in temples in the first century.

-You have a Book that updates the Greek.

-You have a Book that updates the Hebrew.

-That Book is amazing, ~~in its nobility!~~

-That Book is astounding, ~~in its name!~~

-That Book is astonishing, ~~in its nature!~~

its name
its nature
its nobility

That Book is The King James Bible, The Word of God

Amen
